## Jesus Christ and His Work- The God Who Became Man

## Lesson #1

### Who is Jesus? The God Who Became Man

Jesus Christ is the central figure of all human history. There has never been anyone like Him. He is regarded as a great teacher, a religious leader, a prophet, the Son of God, even God Himself. The claims He made, as well as those that others have made about Him, have propelled Him into the center of endless controversies throughout man's history. Wars have been fought about Him; countries have divided over Him; masses of His followers have given their lives for Him. Who is this man called "Jesus?"

1. What did Pontius Pilate unwittingly say (Matthew 27:22)?

Jesus Christ came into the world in human flesh. By coming into the world as a man, He voluntarily set aside the independent use of His divine attributes and took on the form of a man. He was fully human, a man in every way, except He was without sin. This is referred to as the "incarnation"

2. How is the "incarnation" birth of Jesus described (See Luke 1:26-38):
3. What does Philippians 2:6 say about Jesus?
4. According to Philippians 2:7, what did Jesus do?

### Jesus Was a Man Like Us

1. What was Jesus' response when He was tired (Mark 4:38)?
2. Describe Jesus' human growth and development as a youth (Luke 2:40, 52):
3. What was Jesus' response to the lack of food (Luke 4:2)?
4. How did Jesus feel after a journey (John 4:6)?
5. How did Jesus react when He was grieved (John 11:35)?
6. What did Jesus say about Himself (Luke 24:39)?

I loved it when my mom would take time to read to me before I went to sleep. One night, she read me the 'Emperor's New Clothes'. I found it to be hilarious...

This king is fooled into going around town buck naked thinking that he has on the most beautiful new suit. What a joke when he learned that he had been walking around nude all the time. How embarrassing!

Jesus was not too good to take on our flesh. He had some pretty interesting 'new clothes' of His own. Think about it....
