Who God Is- The Importance of Knowing God

Lesson #1

We Can Know Who God Is

The Importance of Knowing God

In religions of today's world, there are many so-called gods and just as many opinions about what God (or god) is like. The Bible, on the other hand, claims to be the revelation of the one true God.

1. What do these Bible verses simply state (Genesis 1:1 and John 1:1)?
2. According to Psalm 89:7-8, list two things true of God:
 - a.
 - b.
3. What statement is made that points to the fact that there is only one God (Isaiah 43:10)?
4. What is it that God will not give to another (Isaiah 42:8)?
5. Rather than boasting in wisdom, might, or riches, what one thing does God say a man should boast about (Jeremiah 9:24)?
6. Jesus equated "knowing God" to what (John 17:3)?

How Can We Know God?

1. What does Jesus say about the means for knowing God (John 14:8-9)?
2. What does Paul say about Christ in Colossians 2:8-9?
3. The writer of Hebrews says that God has spoken to us in His Son. How does is the Son described (Hebrews 1:3)?

"Who is this guy?" "What is he doing here?" "Who asked you?"

I went to meet an individual on the prospect that he and I might find ways to partner our firms for future business opportunities. We went into the conference room and sat down. Within minutes, the room was full of folks in dispute and complaint over a situation at his job site. After a few minutes, I spoke up. I had just recently dealt with this same issue and thus shared a solution...Yep- they all asked, "Who is this guy?" If there is one person to know-It's Jesus!
