## Who God Is- The Introduction to God's Attributes

## Lesson #3

### God's Attributes

An "attribute" is a quality or characteristic that is true of someone. Studying the attributes of God allows us to have a better understanding of God's Person. An attribute of God is whatever God has in any way revealed as being true of Himself. Even though some concepts exceed the limits of our comprehension, our ideas concerning God need to be as true as possible.

#### God the Father, God the Son, and God the Holy Spirit

1. Holiness	7. Omnipresence
2. Righteousness and Justice	8. Omnipotence
3. Sovereignty	9. Love
4. Eternality	10. Truth
5. Immutability	11. Mercy and Grace
6. Omniscience	

*Note: These are just a few of God's attributes.*

1. How is God described (Exodus 34:6-7)?

### God's Attributes Defined

**First:** Look up the Scripture listed with the following attributes, then write down the part of the verse that best describes the given attribute.

**Second:** Based upon your understanding of each attribute, write out how that personally applies to you.

### Holiness

God's attribute of holiness means that He is untouched and unstained by the sin and evil in the world. He is absolutely pure and perfect.

1. Exodus 15:11 –
2. Isaiah 6:3-7 –

Because God is holy, we are exhorted to be holy (1 Peter 1:16). We are to be set apart from sin unto God. Our lives are to shine as a reflection of God in an unrighteousness world.

Personal Application:

Experience vs. Exposure- there is a tremendous difference. You can be exposed to a campfire, feel the heat, see the flame, even use it to cook your food, but to literally experience it, you would have to come into direct contact with it. Call me crazy, but I don't want to stick my hand into a burning flame. Neither do I want to pretend that I have a relationship with God without repenting, turning from sin, and accepting Jesus as LORD of my life.

Many folks are exposed to Christ, but few really experience Him.
