Lesson 32 of 94

Revised: September 17, 2018

Salvation- Evidence of Salvation

Lesson #3

What Evidence is there of God's Saving Work?

In Matthew 12:33 Jesus states that you can tell what type of a tree by the fruit it produces. An apple tree will produce apples; an orange tree will produce oranges. It is impossible for an apple tree to produce grapes! The same holds true to our lives. A Christian life will produce healthy spiritual fruits.

Faith, Hope and Love

1. What three important evidences are there in a believer's life (1 Thessalonians 1:3)?
2. What are the fruits of the Holy Spirit in a life that believes in Jesus (Galatians 5:22-23)?

Faith that Works

1. What reveals genuine faith?
 - a. James 2:18 –
 - b. 1 Peter 1:6-7 –
2. For what did God prepare believers (Ephesians 2:10)?
3. Read Hebrews 10:39 and 11:1-3, 6. Those with "true faith" will:

Love that Labors

1. Besides faith, what else does God take note of in the believer (Hebrews 6:10)?
2. What is the source of love in the life of a believer (Romans 5:5)?
3. What is true of a person who is born of God (1 John 4:7-8)?
4. How does a true believer show love (1 John 3:18-19)?

Hope that Endures

1. Who does Jesus say will be saved (Matthew 10:22)?
2. What gives us our motivation to endure (1 Timothy 4:10)?
3. Describe the hope that a Christian has:
 - a. Galatians 5:5 –
 - b. 1 Thessalonians 5:8 –
 - c. Titus 3:7 –

Okay- I really can't stand it when people try to manipulate a situation to alter my perspective in a way that I take their side. I just want the facts, not the opinions. I have heard it said that opinions are like feet; everyone has two and sometimes they stink.

God's word is substantiated by facts; cold hard evidence. I love the fact that I don't have to manipulate the truth of God to make it more believable, more true, and more real. It stands in a league of its own. Jesus IS the truth!
