It was a temper tantrum. I had no idea what had come over me. All I knew was that my mom was reading *lies* from a piece of paper that had been mailed to my parents. It was a progress report. The anger boiled as mom shared my shortcomings by virtue of my teachers assessment based upon his perspective. I busted out in rage. "He is not being fair!" My mom punished me, of course. Later she told me that 'fair' was a perspective and that 'just' was an absolute. There is great wisdom in that statement....Thanks mom.
