Jesus Christ and His Work- Restoration

Lesson #7

Restoration Plus!

Restoration means "to turn back or bring back to the original condition." When you look at this word and relate restoration to the how God works in a Christian life, we can experience how God can restore lives that were hurt and damaged. God is a restorer!

Damage Done

1. What does the thief do (John 10:10)?
2. What is a thief required to do if he is caught (Exodus 22:1-4)?
3. What was the situation and required response in Isaiah 42:22?
4. How is restoration described (Isaiah 61)?
5. What does Jesus do to a life that is committed to Him (Luke 4:18-19)?

Examples

1. What happened to the leper (2 Kings 5:1-3, 10, 14)?
2. What happened to the blind man (Luke 18:35-43)?
3. What did Zacchaeus' response to the Lord (Luke 19:8)?

Restoration in Action

1. What does the Shepherd do (Psalm 23:1, 3)?
2. What did David pray (Psalm 51:12)?
3. What did the Lord promise (Jeremiah 30:17)?
4. Is there an area of your life that needs God to restore?

When my mom passed away, my heart just ached for days. I still miss her. She was not a perfect mom, nor was she a perfect person, but she was my mom.

You know what, she still is my mom. Even though she has been gone for all this time; parts of her live on. I can see her in my siblings. I remember her when I visit dad. Her words of love, advice, and encouragement still ring in me.

Jesus has never really left either. He is still here. You can hear Him and see Him, if you will stop, listen, and look for Him.
