Revised: September 17, 2018

## The Family and The Church- Giving

## Lesson #5

### Fellowship

1. Fellowship within the body of Christ involves sharing in each other's lives. Below are some areas in which Christians should minister to "one another."

- a. Romans 14:19 –
- b. Galatians 5:13 –
- c. Galatians 6:2 –
- d. James 5:16 –

2. What has God given to each Christian to help him or her minister to others within the church (1 Peter 4:10-11)?

### Giving

The Bible shows us that giving is an important command that comes with a blessing.

1. What is the result of giving (Luke 6:38)?
2. Our Alms (giving) must be done in what way (Matthew 6:1-4)?
3. The local church is called the storehouse. What should we bring into the storehouse (Malachi 3:8-10)?
4. What type of giver should we be (2 Corinthians 9:7)?
5. How did the Apostle Paul thank the generous supporters that assisted him in planting churches while on his missionary journeys (Philippians 4:10-19)?

Life can be all about keeping score. We measure things by comparison to what we have to determine how we actually rank. The result of our measuring is usually judgment. For example, we'll determine if we like someone by judging their clothes, their music, or how good (or bad) they might be at something...

How do you measure how much someone loves you...by not judging them. Love is unconditional from God to us and He told us to love others the same way.
