The Christian Walk- Our Testimony

Lesson #6

Our Testimony

A testimony is the life story of a person that describes how their life was changed because of Jesus Christ.

1. How do we overcome (Revelation 12:11)?
2. How did John describe how he knew Jesus Christ, "The Word" (1 John 1:1-4)?

What is your Testimony?

1. What was your past like before you accepted Jesus as your Savior?
2. What were the circumstances when you made the decision to accept Jesus?
3. How is your life different now that accepted Jesus?
4. When you put your three answers together you have your testimony. A great goal would be to share it with someone everyday.

We were fishing on the bay when before we knew it, the sky grew dark and the wind began to blow like crazy. Waves were crashing over the bow of the boat as we tried to make our way back to the marina. The boats engine started to stutter and I really didn't think we were going to make it. We put on life jackets, prayed, and kept fighting the weather. Eventually we made shore.

Every test produces a testimony, however not every testimony brings glory to God. Make sure you pass your test so you don't have to retake it!
