

A Constitution of the Body of Christ

In respect to the great statement that is found in this document, I submit a need for a closer review...

Preamble of the Constitution of the United States

We the People of the United States, in Order to form a more perfect Union, establish Justice, insure domestic Tranquility, provide for the common defense, promote the general Welfare, and secure the Blessings of Liberty to ourselves and our Posterity, do ordain and establish this Constitution for the United States of America.

Proposal

We, the people of God, in order to form a more perfect reflection of our Savior Jesus Christ through the visible Body of Christ, the Church, repent, embrace obedience to the Word of God, more fully commit to family, provide for the advancing of God's kingdom and the needy, promote an atmosphere of praise, worship, and peace, to secure the Blessings of God to ourselves and our Posterity, do confess and proclaim this declaration for our lives!
